

"Technology Leadership"

- Broadest range of flexible interconnects, smart card contact plates, secure flex circuits & sensor products
- Proprietary designs, processes & materials
- Custom engineered to exact requirements

"The Safe Choice"

- Maximum payment security protection
- Best in class anti-corrosion
- Industry leader in flexible circuit technology
- Global footprint for assurance of supply

Digital Security for Transaction Protection

Bank & SIM Cards

- Connection reliability
- Transmission reliability
- Anti-corrosion designs

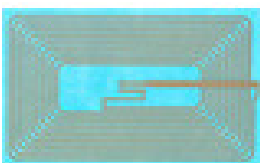

Electronic Identification

- Wide range of microelectronics
- Compact designs
- Contact & contactless transmission

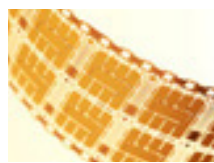

Data Security

- Protection against tampering
- Secured connection points
- Custom interconnect methods
- Random circuit pattern options

Johnson Electric creates custom solutions beginning with our wide range of component technologies

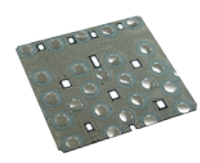

RFID Antenna

Contact Plate

Dual Interface Contact Plate

Secure-Flex™
