

"Technology Leadership"

- Compact design for portability
- High power density for maximum suction
- High efficiency for low energy consumption
- Long battery run time

"The Safe Choice"

- Long life for warranty requirements
- Robust design for high reliability
- Custom engineered for application requirements
- Global footprint for assurance of supply

Motion & Control Solutions for Floor Care

Handheld Vacuums

- Lightweight for ease of use
- Compact design for small package size
- High efficiency for longer battery run time

Carpet Cleaners & Floor Polishers

- Increased suction for improved floor care
- High power for decreased dry time
- Long life for high reliability

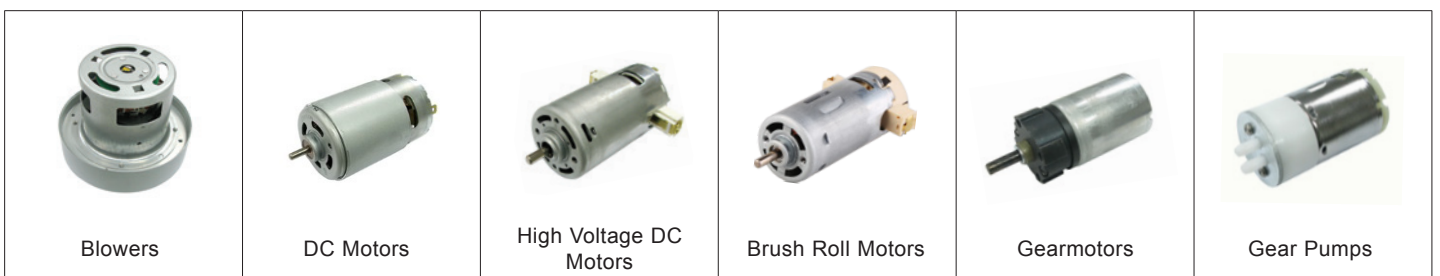

Large & Stick Vacuums

- High suction for faster cleaning
- Lightweight for ease of use
- High power density for compact package

Robotic Vacuums

- High power for high suction
- Lightweight design increases battery run time
- High efficiency for low power consumption

Johnson Electric creates custom solutions beginning with our wide range of component technologies
