

## "Technology Leadership"

- Custom designs for small footprint
- High power density for compact design
- Power & speed optimized for food processing applications

## "The Safe Choice"

- Long life for warranty requirements
- Robust design for high reliability
- Custom engineered for application requirements

## Motion & Control Solutions for Food Processors

### Food Processors

- Lightweight design for enhanced ergonomics
- Long life for reliable operation
- Fast actuation for quick operation
- Flux Multiplier™ Technology

### Bread Makers

- High torque, low speed
- Low noise for quiet operation
- High efficiency for low power consumption
- Position detection for safety

Johnson Electric creates custom solutions beginning with our wide range of component technologies

AC Motors

FM Motors

High Voltage DC  
Motors

Snap Action Microswitches
