

"Technology Leadership"

- Compact size & lightweight
- High torque
- EMC/EMI suppression
- Custom engineered solutions

"The Safe Choice"

- Technology leader for power seat adjustment
- Field proven technologies
- Rigorous application testing
- Global footprint and assurance of supply

Motion & Control Solutions for Seating Adjustment

Seat Adjusters

- Clear & consistent ripple count signal
- Advanced EMC suppression
- Curve technology for weight reduction

Lumbar Support

- Power & pneumatic lumbar solutions
- Integrated pump (pump head / motor / EMC circuit)
- High power density

Headrest Adjusters

- Custom engineered
- High reliability
- Compact & lightweight

Seat Belt Tensioner

- Fast response
- High torque
- Consistent performance

Johnson Electric creates custom solutions beginning with our wide range of component technologies
