

"Technology Leadership"

- Small size for slim design
- High efficiency for long battery life
- Lightweight for decreased user fatigue
- Custom engineered subsystems

"The Safe Choice"

- Industry leader in solutions for professional saws
- Vibration resistant for reliable performance
- Long life for warranty requirements
- Global footprint for assurance of supply

Motion & Control Solutions for Saws

Chain Saws

- High efficiency & power for professionals
- Fast operation
- Rugged design for tough environments
- Sealed design for dust protection

Circular Saws

- High power density for compact design
- Lightweight for enhanced ergonomics
- High power for tough jobs
- Custom designed subsystems

Jig Saws

- Instant torque for toughest jobs
- Highest power for enhanced performance
- Faster sawing
- Long life for high reliability

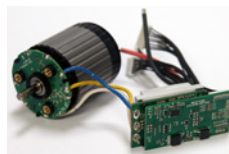

Spiral Saws

- Best efficiency and power for professionals
- High reliability for constant speed control
- Double battery run time
- Dust protection feature

Johnson Electric creates custom solutions beginning with our wide range of component technologies

Compact DC Motor

EC Motor + Controller

Snap Action Microswitches
