

"Technology Leadership"

- High reliability for first time start
- Sealed for outdoor environments
- Rugged design for vibration resistance
- Custom engineered subsystems

"The Safe Choice"

- Field proven technologies
- Rigorous application testing
- Marine grade corrosion resistance
- Global footprint and assurance of supply

Motion & Control Solutions for Snow Mobiles & ATVs

Starters

- High reliability for 1st time start
- Rugged design
- Long life

Brake Lights

- Small size for compact design
- Long life for high reliability
- Position sensing for safety
- Lightweight design

Gear Shift Controls

- Quick response
- Small footprint
- Completely enclosed design for environmental resistance

Johnson Electric creates custom solutions beginning with our wide range of component technologies

Starters

Sealed Rocker Switches

Snap Action Microswitches
