

"Technology Leadership"

- High power density for compact package
- High speed for fast actuation
- Shock and vibration resistant

"The Safe Choice"

- Custom engineered to exact requirements
- Long life for reliable operation
- Global footprint for assurance of supply

Motion & Control Solutions for Specialty Vehicles

Power Switching

- Fast operation for no service interruption
- High force
- Rugged design

Door Locks

- Fast actuation
- Compact size
- >10M operating life

Driver Alerts

- Haptic alerts for fast operator response
- High acceleration
- Fast speed of response

Position Detection

- High torque
- Long life
- Compact size

Johnson Electric creates custom solutions beginning with our wide range of component technologies

High Speed Actuators

Open Frame Solenoids

Rotary Solenoids

Haptic Actuators
