

## "Technology Leadership"

- Low noise for quiet operation
- High power density for compact package
- High efficiency for low power consumption
- Custom engineered subsystems

## "The Safe Choice"

- Rugged design for reliable operation
- Rigorous application testing
- Long life for warranty compliance
- Global footprint for assurance of supply

# Motion & Control Solutions for Washers & Dryers

### Circulation & Drain Pumps

- Quiet operation
- High efficiency
- Custom subsystem design

### Detergent Dosing

- Low noise
- High power
- Compact designs

### Auto Power-off

- Exceeds European Ecodesign directive
- Eliminates stand-by losses
- Custom engineered

### Drive Motors

- Efficient designs
- Low noise
- Custom torque, speed, life

### User Interface

- Small footprint
- EMI/RFI Resistant Flex Cabling
- Rugged design

### Door Latches

- Long life
- Highly reliable
- Compact package

Johnson Electric creates custom solutions beginning with our wide range of component technologies

FM Motors

Pumps

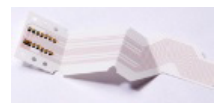

Open Frame  
Solenoids

Auto Power-Off

Snap Action  
Microswitches

Flex Cabling
