During manufacturing of the product lines listed below no substances of the

Toxic Substances Control Act (TSCA) Section 6 (h)

are added which are listed on the TSCA Inventory List by the EPA as published on <https://www.epa.gov/assessing-and-managing-chemicals-under-tsca/persistent-bioaccumulative-and-toxic-pbt-chemicals> with the inclusions until February 2021. To the best of our knowledge, our material suppliers do not intentionally add the above substances in the manufacture of their products. However, we do not routinely analyse our material for the above substances, nor do we require our material suppliers to do so.

A handwritten signature in blue ink, appearing to read 'S. Fraulob', is positioned above the printed name and title.

Dresden, 14.03.2022
