VI. Shipping Requirements:

a. Domestic Shipping Documents (within Mexico):

For goods shipped within Mexico or delivered directly to Johnson Electric Zacatecas please follow these instructions:

- Create a correct Invoice according to instructions as explained in the “Supplier Onboarding Common” document.
- Adhere to the receiving hours defined in section IV.

Important: If your Purchase Order indicates pick up at your location, please share with your buyer/planner the following info: weight, dimensions, working hours, and name of the responsible contact person in your shipping area.

b) Shipping Documents for imports into Mexico

In order to comply with Mexican law to import materials into Mexico, it is necessary to send the paperwork according to the following requirements for customs purposes.

- Create a correct Invoice - Reference “Supplier Onboarding Common” document.
- Packing List - Reference “Supplier Onboarding Common” document.
 - o It must include the “Bill to” and “Ship to” fields according to the Purchase Order and the Invoice.
 - o Name, e-mail and phone number of the person who issued the paperwork.
 - o Box dimensions, gross weights and net weights.
 - o Declare the specific content of each box, pallet or container.

c) Advance Shipping Notification

An advance shipping notification (ASN) must be sent to Johnson Electric before the shipment leaves your facility. The ASN should be emailed to the Planner and

Mireya.Rodriguez@johnsonelectric.com, Karen.PoncedeLeon@johnsonelectric.com. For shipments to Laredo, also cc: je.tds@transcontinentalinc.com.

Email subject line should read: Supplier name, Purchase Order number, carrier and tracking number.

d) Additional Documents or Requirements

- All product supplied must meet prevailing government safety and environmental requirements
- Ocean bill of lading or tracking number document that matches with the information provided on the Invoice.
- Correct box and pallet labeling including part number, quantity, etc. visible outside the packing.
- Declaration of non-wooden packing (if packing is of non-wooden material), or declaration of IPPC markings on wooden packing (if packing, including any chocking, is of wooden material).
- **Certificate of Origin or Affidavit** emailed to Mireya.Rodriguez@johnsonelectric.com,
Supplier.Communications@johnsonelectric.com
- **Certificate of Conformance** must accompany shipment and emailed to COA@johnsonelectric.com
- When **Certificate of Analysis** is required a copy must accompany shipment and emailed to COA@johnsonelectric.com
- **Subject of email should contain Supplier Name / PN / Lot # or Mfg Date / Invoice / Zacatecas**
- For machinery, it is necessary to provide the format named “import machinery request template”, you can request from your buyer.
- **Material Safety Data Sheets** (MSDS) are required with initial shipment (upon revision in accordance with OSHA 1910.1200) or by emailing to SUPPLIERSUBMISSION@johnsonelectric.com
- The receiving area in our second building is operational. Review the remarks in your Purchase Order that will define if you will deliver to plant 1 or plant 2. You should reflect the plant # on your invoice notes and notify our security personnel at the moment of your registry.
- Please consider that the lack of any of the listed requirements or when the shipped materials has discrepancies versus the declared information on the Invoice, will cause the Mexican authorities to hold the materials at customs until we receive from you the amended paperwork or information.
